

# One-day tour of the Neuchâtel-Jura region

**Neuchâtel departure at 09h55 / back at 18:20**

**09h55 Departure from Neuchâtel** on board our special historic train.  
Free Abstinthe or soft drink available from the bar.

A 60 minute-journey past Neuchâtel castle and minster, among the vineyard-planted shores of Lake Neuchâtel, with impressive view of the snow-capped Alps in the distance.

Between Bole and Noiraigue comes the most breathtaking stretch of the railway line with sharp curves, tunnels, bridges in the depth of the Areuse Gorge with the leaping waters boiling furiously 800ft below.

Halfway lies the tiny halt of Champ du Moulin in a recess of the gorge. From there one has a daunting view of the steep lime stone Creux du Van ridge towering above

**10:55 : arrival at “La Presta Mines d’asphalte”**

A fascinating journey down the depths of the Earth. Guided visit of the old mine galleries (90 minutes)

Lunch at the restaurant. Local food: mixed salad, asphalt baked ham, potato gratin, vegetables.
